

walking with The Snowman™

Take a wintry walk around Middlesbrough this Christmas time to celebrate the magic of Raymond Briggs' heart-warming story of The Snowman™.

A collection of twelve giant Snowman sculptures are waiting to be discovered, each inspired by the song The Twelve Days of Christmas. From a partridge in a pear tree to twelve drummers drumming, each sculpture has been individually decorated by a professional artist. Some are traditionally festive, but some won't be quite what you expect!

So grab your snow boots, wrap up warm, and get ready to go on a magical Christmas adventure with The Snowman.
